

## Community Minded...

Growing up, Kerrie Bishop always knew she wanted to help people and become a police officer. She works in the WIU Office of Public Safety, which is how she met her boyfriend Lance Johnston who is the Campus Parking Manager. They both enjoy working to keep Macomb's closely-knit community safe.

The couple is happy to call Macomb home. Kerrie's adorable daughter Lauren, 9, currently likes to play softball, dance, build forts, and care for her animals. They have two cats, and the newest member of the family is their dog Autumn. Kerrie's name is very fitting because all of their pets have been adopted.

She also stays involved in Kiwanis and volunteers for Big Brothers Big Sisters. Kerrie appreciates having a bank like First Bankers Trust Company that shares her ideals and enjoyed taking Lauren to the bank's free Movies in the Park last summer. She likes that, "First Bankers supports the community." They plan to mark their calendars for this year's Movies in the Park (*Mary Poppins* on June 17, *Star Wars* on July 22, and *Inside Out* on September 16), all in Veterans Park at 8:30 pm.

Kerrie has valued working with Leslie Westen for her lending needs and says, "Leslie makes herself available, and if you have any questions or concerns, she gets back to you pretty quickly." When she visits the bank, Kerrie likes seeing Ann Abbot and Jodi Hardy but has noticed that, "Everybody seems to be really friendly and helpful at all the branches." She also values banking on her own time and is happy to add, "I love the convenience of online banking. I can log-on and check my balance or make a loan payment – anytime!"
